

To be completed by a parent or legal guardian before any person under 18 takes part in club activities. Kept by the Secretary and reviewed annually.

A parent or guardian must stay. Nobody under 18 attends a club activity unaccompanied. A parent or guardian is present throughout and remains responsible for their child; a young person cannot be dropped off and collected later.

If no parent can attend, the young person does not attend either — unless the Committee has agreed in writing beforehand that a named adult over 18 will stand in.

Safeguarding. The Society expects all members to treat young people with respect and never to be alone with a young person out of sight of others. Concerns should be raised with the club's safeguarding contact named below, or with the RSGB. Nothing in this form prevents anyone from contacting the police or social services directly.
